State Income Tax Rates:

- Mississippi has 3 state income tax rates: 3%, 4% and 5%. These rates are the same for all filing statuses, as well as for businesses.
 - For single taxpayers:
 - 3% on the first \$5,000 of taxable income.
 - 4% on taxable income between \$5,001 and \$10,000.
 - 5% on taxable income of \$10,001 and above.
 - Married couples filing a combined return (i.e., both spouses work) can opt to have each spouse calculate tax liability separately and add the results.
- Mississippi is very tax-friendly toward retirees. Social Security income is not taxed. Wages are taxed at normal rates, and your marginal state tax rate is 5.90%. Public and private pension income are not taxed.
