

PRESS RELEASE

July 1, 2015

The City of Bay St. Louis, in partnership with Hollywood Casino Bay St. Louis and Coast Transit Authority, is pleased to announce the Bay Trolley line, connecting residents and visitors to parts of the City with a fare free service beginning, Saturday, July 4, 2015.

“This is an exciting new time for Bay St. Louis.” said Mayor Les Fillingame. “This fare free service will allow those needing a ride to hail the trolley as it travels on its route or they can wait at one of the designated stop locations. This is a huge benefit for boaters who are visiting the Bay St. Louis Municipal Harbor and may want to visit Hollywood Casino or the Visitor Center in the Depot District, or for someone who just wants to take a small tour of parts of the City or locals needing a ride to the shopping centers and grocery store.”

The Bay Trolley will run Thursday through Sunday connecting points along the route beginning at Hollywood Casino heading to Old Town Bay St. Louis along Main Street and then to the Bay St. Louis Municipal Harbor. From there the trolley will stop at locations such as The Ugly Pirate, Mockingbird Café, The Depot District, Commagere Park, McDonald Park, Market Town Shopping Center and Zuppardos Plaza and back to Hollywood Casino. The entire route will take approximately 40 minutes round trip.

For route times and map, please visit the City’s website at <http://baystlouis-ms.gov/>.
