

**CITY OF BAY ST. LOUIS
PROJECT STATUS REPORT
OCTOBER 2015**

1. Harbor Wave Screen – application under review by National Marine Fisheries Service. They are concerned about impacts to turtles. DMR is ready to issue permit, but we need the other agencies (NMFS and COE) to sign off as well. Waiting to hear back from them.
2. Old Spanish Trail Sidewalk Project – Notice of Award has been issued to Meranto Construction. The contractor is getting together their bonds and insurance to submit to MDOT for review.
3. Safe Routes to School – Design contract has been submitted to the city attorney to review. MDOT has stated they want this project to begin by the of the year.
