

Junior Kids Fishing Rodeo Kick Off

News Release Date

04-16-2024

Event Date

Sat, May 25 2024, 8 - 10am

The Coastal Conservation Association Mississippi (CCAMS) and the Mississippi Department of Marine Resources are excited to present the Junior Jubilee Kids Fishing Rodeo. This unique event runs from Memorial Day Weekend to Labor Day and concludes with a grand awards banquet in September. The fishing rodeo is a great opportunity for children aged 3 to 15 to participate in over 100 place prizes and win exciting door prizes totaling over \$40,000.00. Fishing is restricted to Mississippi Waters South of I-10!

Beyond just having fun fishing, this event aims to foster a sense of environmental responsibility in our young ones and encourage them to develop a love for the Gulf, our most precious natural resource. We also want to provide opportunities for families to fish together and allow children who have never fished before to learn. Our goal is to create healthy competition between peers and within each child to gain a better understanding of fishing while rewarding and acknowledging all who participate.

Registration is easy and the entire event is at no cost to our young anglers. Its simple, go to the QR code and get ready to fish!!
