PRESS RELEASE OF HANCOCK COUNTY BOARD OF SUPERVISORS

RE: CLOSURE OF HANCOCK COUNTY BEACHES

The Supervisors today issued an order continuing the closure of the Hancock County Sand Beach. The Hancock County Sand Beach—which previously ordered closed by Executive Order No. 1466 of Governor Tate Reeves—shall remain closed until May 4, 2020, at noon CST, unless modified or extended by future order of the Board. The Hancock County parking lots and parking bays on or adjacent to the beaches, as well as the trail along the beaches of Hancock County, Mississippi—which are under the possession or control of Hancock County—are also closed until that time except solely for use by persons parking or utilizing the trail for permitted recreational use (and only if performed for recreational purposes and no gathering). No loitering at the parking lot, bays or walking trail is allowed and all social distancing measures and gathering limitations of the prior orders of the Board remain in effect.

Ordered and released by the Supervisors on april 20, 2020.

Thank you;
