

**EMERGENCY  
REQUEST FOR PROPOSALS FOR  
HURRICANE ZETA DEBRIS REMOVAL AND DISPOSAL SERVICES**

**1. Is there an RFP number associated with this bid?**

No.

**2. Can we recycle the white goods and electronics or does it have to be taken to an approved landfill?**

Yes, recycling is allowed. All waste and debris must be taken to a MDEQ approved facility.

**3. Has the City located fire hydrants, manholes, water meters, gas meters, mains, etc.?**

The City is working to locate all the above, however, there is no guarantee that all fire hydrants, manholes, water meters, gas meters, mains, etc. will be located and/or marked.

**4. Does the City currently have a monitoring company contracted or will they be bidding out for those services?**

The City has procured the services of Debris Tech as a monitoring company.

**5. Under “Equipment” section 6.6, Inspection Towers, it states that the contractor will need to construct a wooden tower with the listed dimensions, we have galvanized steel towers that meet USACE requirements, will those be acceptable?**

Yes, galvanized steel towers that meet the USACE requirements are acceptable.

**6. As a result of the impending storm expected to hit Florida and possibly disrupt FedEx & UPS shipments, would the City accept email copies?**

Yes. Contractors may submit electronic proposals via Plan House. Plans and specifications are being made available via hard copy or digital download. Plan Holders are required to log-in or register for an account to view or order bid documents at [baystlouis-msbids.com](http://baystlouis-msbids.com). Bid documents are non-refundable and must be purchased through the website. Questions regarding website registration and online orders are to contact the Plan House at (228) 248-0181. No partial sets of drawings or project manuals will be issued.

Bids shall be deposited with the City of Bay St. Louis, Bay St. Louis Conference Center, 598 Main Street, Bay St. Louis, MS 39520, or for those interested, bids can be electronically submitted at [baystlouis-msbids.com](http://baystlouis-msbids.com) under the project page, prior to the hour and date designated above. No oral, telegraphic, telephonic, or e-mail proposals shall be considered.

**7. In reference to tipping fees. Does the City have any pre-existing negotiated rates with the local disposal locations? If so, which locations and what are the negotiated rates?**

No.

**8. Which Contractor held the previous or holds the current contract for the services requested in this solicitation?**

The City does not have a contractor for the services selected in this solicitation.

**9. Please provide the names and titles of the evaluation committee members.**

The evaluation committee has not been formed.

**10. Will this contract be used to perform services on any state roads within the City in lieu of the MDOT performing those services?**

The City is currently discussing with MDOT the services required on state roads. The contractor will be notified in writing if state roads are not to be included in the Contract.

**11. Regarding the evaluation of the Pricing, does the City intend on adding up all unit price line items to get a total figure to compare against other proposer's or will there be estimated quantities assigned to calculate a total extended price?**

Each individual unit price shall be evaluated by the evaluation committee. The evaluation committee will establish estimated quantities for the price evaluation.

**12. If quantities are going to be assigned, what will they be?**

Estimated quantities shall be included on the final bid tabulation.

**13. The City of Bay Saint Louis reserves the right to reject any or all bids and to waive any or all informalities.**
